

I ATTENDED THE MEETING AT THE HIGH SCHOOL IN WASALLE IL. AND LISTENED TO THE COMMUNITY EXPRESS ~~THEIR~~ THEIR CONCERNS. MANY BROUGHT THE ISSUE THAT WE NEED TO KNOW HOW FAR THE CONTAMINATION GOES, WHICH YARDS AREAS ARE CONTAMINATED.

OUR WHOLE AREA IS ON HOLD, PEOPLE CAN'T SELL HOUSES CONSCIOUSLY WITHOUT KNOWING IF CONTAMINATED. OTHER PEOPLE WOULDN'T WANT TO BUY A HOUSE IF THEY ARE FACING CONTAMINATION. IT'S PUTTING A HOLD ON THE GROWTH AND ECONOMICS OF OUR COMMUNITY. FROM WHAT I UNDERSTOOD THIS IS GOING TO TAKE 5-15 YEARS FOR EVERY ONE INVOLVED.

I REALIZE THE AREAS OUR 1 AND OUR 2 HAVE BEEN TESTED. CONTAMINATION HAS BEEN ACCUMULATING THERE FOR 100 YEARS. THE COMMUNITY HAS LIVED WITH THE CONTAMINATION ALREADY. PEOPLE, WILD LIFE, PLANTS, TREES, SOIL GARDEN PRODUCE EVERY THING WE DEAL WITH EVERY DAY COULD ALREADY BE CONTAMINATED. WE AS A COMMUNITY SHOULD BE TESTED FIRST TO KNOW WHAT YARDS, AREAS AND AN IDEA OF THE BOUNDARIES OF THE CONTAMINATION AND AMOUNT OF CONTAMINATION. HAVING THIS INFORMATION WOULD HELP US MAKE DECISIONS, EASE OUR MINDS, HELP US REALIZE WHAT WE HAVE TO FACE.

I DON'T WANT MY YARD TO BE DESTROYED, BUT IF AND WHEN THIS HAPPENS, I DON'T WANT TO BE ADDING MORE PLANTS OR GIVING PEOPLE CONTAMINATED PRODUCE. YOUR PLAN TO TEST SECTIONS REMOVE CONTAMINATION, TEST ANOTHER SECTION REMOVE CONTAMINATION DOESN'T HELP PEOPLE DECIDE WHAT TO DO. WAITING 5-15 YEARS TO KNOW IF YOUR PROPERTY IS INVOLVED OR WHEN THIS WILL HAPPEN, IT LEAVE YOU FEELING UNEASY AND UNSURE OF WHAT'S GOING TO HAPPEN AND WHEN OR IF, WHETHER YOU, YOUR YARD IS CONTAMINATED.

SO PLEASE TEST US FIRST SO WE KNOW WHAT

WE ARE DEALING WITH. FIND THE BOUNDARIES (2)  
OF THE RESIDENTIAL CONTAMINATION AREA, FIND  
OUT WHOSE PROPERTIES, YARDS AND AREAS ARE  
EFFECTED THEN SCHEDULE THE PATTERN OR  
AREA OF CLEAN UP, SO PEOPLE UNDERSTAND HOW,  
WHY AND WHEN THIS WOULD HAPPEN,

THANK YOU [REDACTED]

THE OFFER TO TEST GARDEN AREAS IN  
THE SPRING WOULD BE A GREAT OFFER.  
OTHER WISE MY GIFTS OF PRODUCE, COULD  
BE A GIFT OF CONTAMINATION
